The Northern King Charles Spaniel Club held their Open Show on 11th September 2011 at Grenoside Community Centre. B.I.S was Maibee Dominique, R.B.I.S Ch. Paulian Prudence for Beewye JW. Best Puppy in Show, Maibee Mr. Kipling. I had a lovely day and thoroughly enjoyed it. My thanks to the Officers, Committee, Stewards and Catering staff for the excellent lunch. Special thank you to all the exhibitors. I think my placing would have been different had all the exhibits settled in their classes, they were really naughty but in a happy way!

Veteran Dog (1) 1st Waters & Robins CH. RYTONIAN OUT OF THE BLUE. 9 and a half years old. A lovely b/t who didn't look anywhere near veteran age, a real credit to his breeder/owner. Well angulated shoulders, wide chest, short level back. Good turn of stifle and muscular rear. Legs straight with good bone, round cat-like feet. Not in the best of coat at the moment but the colours were good and the tans correct in all the right places. Moving nicely. Best Veteran in Show.

Moderate length neck, firm little body with a level top line. Good legs and feet. Waiting for his coat to come. Moving in puppy fashion. 2nd Stewart's MARCHHOG MINI CUPAR. 6 months old. Equally

Yearling Dog (2) 1st Sidgwick's PAULIAN PATENTED. 19 months old. Lovely overall appearance with a super shape and out line. Novice Bitch ((4) 1st Gillhespy's LORPHIL BLACK BEAUTY. 32months old. Black and tan. I don't know how this bitch is still in the novice class as I think she is quite outstanding, unless she has been lightly shown. The shine from her black coat and the bright tan, placed in all the right places indicates her lovely condition. It was close for R.B.I.S. between this one and Prudence. So all I've said about her much applies to Black Beauty. 2nd Taylor's LICHENS MILLIE MAE OF DALESBANK. (Seen) 3rd Keane's SILVERHOLME SALVIA.
