I would like to thank Boston DCS for asking me judge the king Charles spaniels at your show. I want to start my critique by saying that although entry was not large, the quality was good. And temperaments have really improved. I had some real decisions to make especially in a lovely puppy dog class with 4 beautiful puppies who could all so easily swap places.

1ST 4519 - Baldragon Tailor Made for Diggle (Mr J Goodwin) 7 month old tri boy, who caught my eye as he came into the ring. He is very much a baby and this showed up against some of the older puppies in this class. I loved him, his head is typical, beautiful rise to his dome, well placed ears eye and large nose. Everything is exactly where it should be which showed when he settled on the move. Sound moving both ways and shown in beautiful condition. Happy to award him BP.

2ND 4522 - Baldragon What Else (Mr A M & Mrs C A & Mrs C Rhodes & Rhodes & Bowles - Robinson) another beautiful tri puppy who I was told later is litter brother to the first and shows many of the same traits. Shown in beautiful condition and handled to bring out the absolute best in him. Showing off his happy disposition. Moved well, just slightly loosing his top line on the move which lost him the class today but I'm in no doubt they could swap places at later dates. As could all beautiful puppies in this class.

1ST 4521 - Cofton Tap Dance (Mrs M & Miss E Kendall & Baker) Another King Charles who came in the ring saying pick me, and I did. He has a absolutely beautiful head, with great, eye, nose and ear placement, with large open nostrils. Lovely reach of neck into a well laid shoulder. Moved well always maintaining his level top line. Shown in beautiful condition. He pushed so hard for res best dog but lost out in the end on maturity but again I see a lovely future for the lovely boy.

1ST 4517 - Ch Baldragon Shoots He Scores (C Bowles-Robinson). Well I was thrilled to get to judge this dog, and he just didn't disappoint. He is a little larger then I would like. But when you get your hands on him this is easily forgotten as he is very sound, and moved round the ring like a train, driving from both his front and rear. His head is lovely and is all boy. He is shown in absolutely beautiful condition and although his owner took a nasty fall in the ring today, this only showed even more what a outstanding nature he has as he was not fazed at all. I was thrilled to give him best dog and BOB and watch him get a very nice group 3 under a well respected breed specialist.

2ND 4524 - Ch Justacharma Magic Goes On (Mr S C & Mrs G A J Smith) well another worthy breed champion. Smaller in size then the winner, a very worthy champion. His head is lovely, with a nice rise to his dome, lovely eye, ear and nose placement with a lovely finish to his lips. Shorter in back then the winner. With a level top line on the move. Shown in good coat which was in lovely condition as were all dogs from this kennel. Was happy to award RBD. This was a beautiful class with two beautiful exhibits.

1531. King Charles Spaniel - Junior Bitch

1ST 4516 - Baldragon Forever Unique (C Bowles-Robinson) another quality exhibit from this kennel. She has the sweetest of faces. With a good rise to her dome, well placed, eyes ears and nose. Lots of substance and bone. Level top line when she moves. Moves with good drive from front and rear. Shown in good condition. Def one to watch in the future.

2ND 4514 - Helmajon Clara's Romance (Mrs Abbott) well this little lady won the one I wanted to take home, just on her happy wagging tail and fantastic nature. She is raw compared to the winner, and needs time to mature and body up. She has a beautiful feminine head with everything just where it should be. Moved and showed well in super condition.

3RD 4526 - Rivermoor Lady Matilda (Ms T J Smith)

1533. King Charles Spaniel - Open Bitch

1ST 4513 - Cofton Reach for The Stars (Mrs Abbott) 5 year old tri girl who I absolutely loved. She is so typical of the breed. Her head is exactly what I like to see, a good rise to dome, well placed eyes, ears, nose and lovely refined finish to her lips. She is shown in good coat, and great condition. Short back with a level top line which she mains at all times on the move. Good drive from her front and rear. And again from this kennel. Fantastic happy temperament. Was more than happy to award her Best Bitch and best special beginner
